The term "the Parents" means the person or persons who have, either individually, jointly or shared, the custody and/or the parental authority (*patria potestas*) with respect to the student(s) to whom this contract refers. The defined term includes a legal guardian or other such duly authorized representative. The undersigned represents that all such persons are listed herein and have executed this agreement.

Enrollment Agreement for Academic Year: 2017-2018

Fees

1. The undersigned Parents agree to assume, jointly and severally, the responsibility to pay the Tuition and Fees, as well as any special assessment that the Governing Board may, from time to time, deem necessary. They also agree to pay any applicable late charges (See "Terms and Conditions of Payment for Academic Year: 2017-2018" for details). In the event of failure to make payments in a timely fashion (with ten days prior notice), the School reserves the right to cancel this contract and cease providing services hereunder without refund of any amounts paid or waiver of any amounts due. Furthermore, the School reserves the right—at its sole discretion—to engage in a legal collection procedure of its choice in the event of non-payment of tuition and fees. Parents will be responsible for payment of all legal fees related to this legal collection procedure.

2. The Enrollment/Re-enrollment Fee is non-refundable. In the event that the Annual Tuition Fee has been paid in advance, a student withdrawn from the School at any time during the first semester (August through December) will be reimbursed the second semester (January through May) tuition only. When a Student is withdrawn anytime during the second semester, no refund will apply. In the event the student does not attend any classes, the School will apply a deduction of twenty percent (20%) of the annual tuition fee paid.

3. The Annual School Plant and Facilities Fee for Non-Residents, the Technology and Academic Development Fund Fee and the Entrance Fee are not reimbursable under any circumstances.

4. The School reserves the right to revoke this agreement and refund all deposits and tuition fees prior to commencement of the coming academic year if, in the sole judgment of the School, the students has not fulfilled academic and/or other obligations and/or is judged incapable of fulfilling the School's academic expectations.

5. The Student(s) may be denied admission to the classroom when tuition and other school fees are in arrears. No student will be admitted to the second semester of the academic year if there is an outstanding financial obligation from the first semester. No student will be admitted to the new academic year if there is any outstanding financial obligation.

Disputes

Any and all disputes arising under this contract must be resolved by submission to mediation pursuant to the School's "Terms of Mediation." If mediation fails, disputes will be resolved by binding arbitration following the procedures of the American Arbitration Association.

Extended Day Program

The School may have an Extended Day Program for students. Supervision and activities would be provided in this program from the regular hour at which the school day ends to 5:50 P.M. In both cases Parents understand and accept that they are responsible for the full payment of fees associated with the Extended Day Program.
